W. A. & S. SMEE'S
DESIGNS OF FURNITURE,

A STOCK OF WHICH IS

ALWAYS KEPT READY FOR SALE,

AT THEIR

CABINET, UPHOLSTERY, & BEDDING

MANUFACTORY & WAREROOMS,

No. 6, FINSBURY PAVEMENT,

LONDON.

Intending Purchasers are respectfully reminded that whilst the Design of a Piece of Furniture may be correctly conveyed by a drawing, it is impossible to show the quality and finish, upon which the price chiefly depends.

The Prices quoted herein are for Good, Substantial Furniture, of the various kinds, and such as can be recommended with confidence.

At the same time most of the Articles can be made either less or more expensive if needed.

Estimates are given free of charge; and competent salesmen will wait upon Customers in any part of the country to take instructions, and submit, where desired, special Designs and Patterns of Materials.

The favour is, however, earnestly requested of a personal inspection of the Stock, which is large and varied, and comprises lower-priced Articles as well as the more costly.

TERMS.

Unless a special arrangement has been previously made, the Prices quoted are for Cash payment, without Discount, on delivery of the Goods.

W. A. and S. SMEE are glad to give Estimates for exterior and interior Painting and Decoration, as well as for general repairs.

They undertake the Removal and Warehousing of Furniture or other property. Their

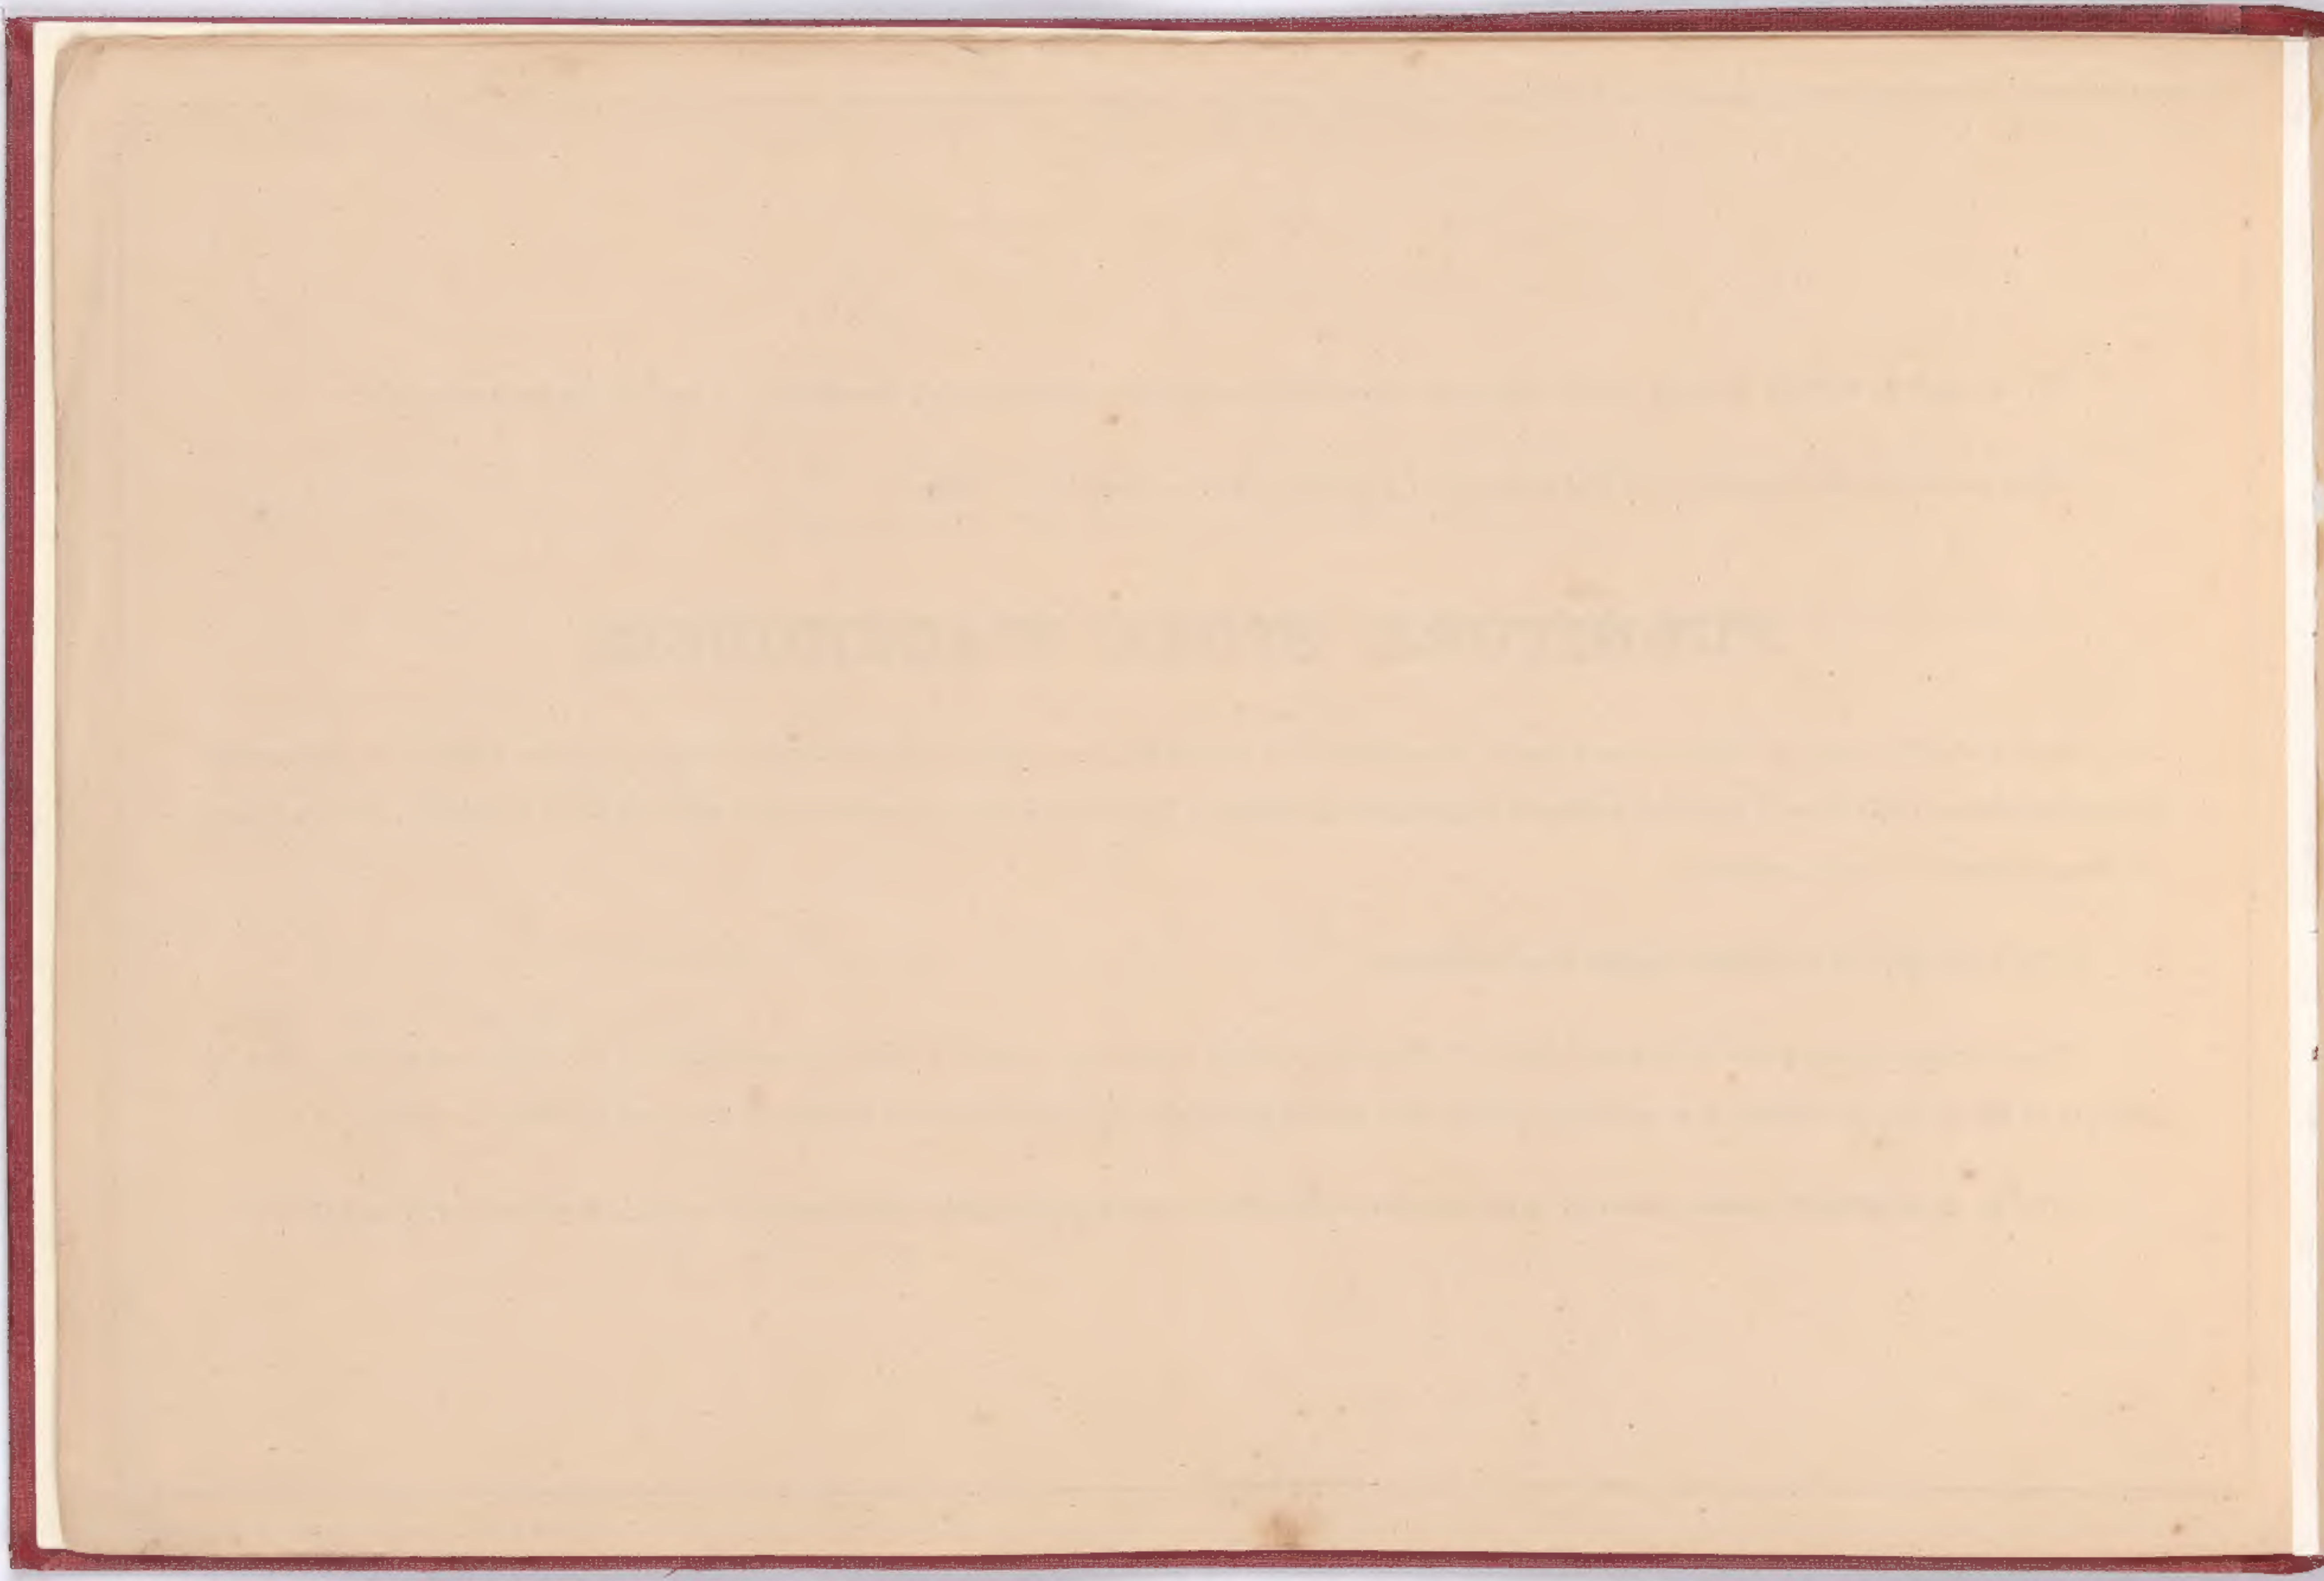

FURNITURE STORE WAREHOUSES

Are Light and Dry, and in Winter are warmed throughout (an advantage not usual in Store Warehouses) by Patent Hot Water Apparatus. Goods are removed and stowed away by workmen accustomed to handling New Furniture, and every care is taken to avoid breakage or other injury of Property sent to the Warehouses.

The Premium for Insurance against Fire is moderate.

The average charges for Warehouse Rent of Furniture, closely packed, are from 2s. to 2s. 6d. per hundred cubic feet per month, being at the rate of about 10s. per month per van load, or from 30s. to 40s. per month for the contents of houses of from ten to fourteen rooms.

W. A. & S. SMEE prefer, however, in all cases to be allowed to submit an Estimate beforehand, for which, of course, no charge is made.

INTERNATIONAL EXHIBITION, 1862. Class 30.

THE JURY IN AWARDING TO
SMEE'S SPRING MATTRESS,
PATENTS Nos. 1,124 and 3,141,
(OR SOMMIER TUCKER),

THE ONLY MEDAL OR HONOURABLE MENTION GIVEN TO BEDDING OF
ANY DESCRIPTION,

Describe it (in their report, page 6, No. 2905) as "A COMBINATION AS SIMPLE AS INGENIOUS," "PERFECTLY SOLID, VERY HEALTHY, AND MODERATE IN PRICE," "A BED AS HEALTHY AS IT IS COMFORTABLE."

The SMEE'S SPRING MATTRESS, Patent, is equally luxurious with, but firmer and affording more support than, the best description of French or German Spring Mattresses. It has, moreover, considerable advantages over all others in

ITS SIMPLICITY.

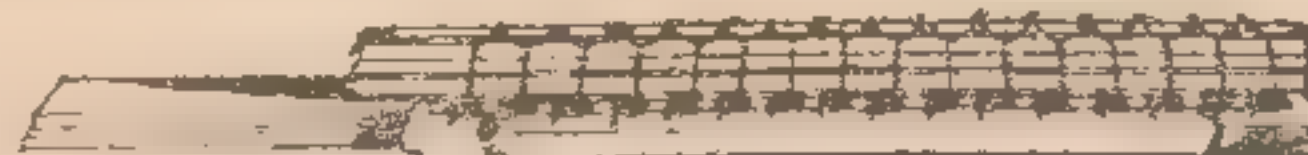

Every part of it is exposed to view, and it is of so simple construction, that its application cannot be misunderstood.

ITS CLEANLINESS,

By merely lifting off the upper Mattress, each part of it may be easily dusted and brushed, or, if necessary, washed. It affords no harbour for vermin, nor is there any canvas, hair, or other material in which moth can collect.

ITS PORTABILITY,

When Folded, it forms a package, as shown below, 6 ft. 6 in. long, and only 8 in. square. It has no screws or fastenings, so that any one may fit it or unfix it in a few minutes.

A very considerable reduction has been made in the prices of the

SMEE'S SPRING MATTRESS,

The cost of which is now scarcely more than one third of that of the ordinary French and German Spring Mattresses.

THE PRICES ARE AS UNDER:—

Size No. 1.	for Bedstead 3 ft.	wide	£1 5s. 0d.
„ „ 2.	„ 3 ft. 6 in.	„	1 12 6
„ „ 3.	„ 4 ft.	„	1 17 6
„ „ 4.	„ 4 ft. 6 in.	„	2 2 6
„ „ 5.	„ 5 ft.	„	2 5 0
„ „ 6.	„ 5 ft. 6 in.	„	2 10 0
„ „ 7.	„ 6 ft.	„	3 0 0

IT IS IMPORTANT

That there should be no laths or sacking to the Bedstead when the Spring Mattress is used, so that the springs and slats may have their full play.

THE UPPER MATTRESS

To be used with the SMEE'S SPRING MATTRESS should be a thick one of good quality of hair or wool, or, for more luxurious sleeping a thin Pillow or upper Mattress of Hair, with a good Upper Mattress over it. The Upper Mattresses should be frequently turned end for end, so that they may wear more evenly.

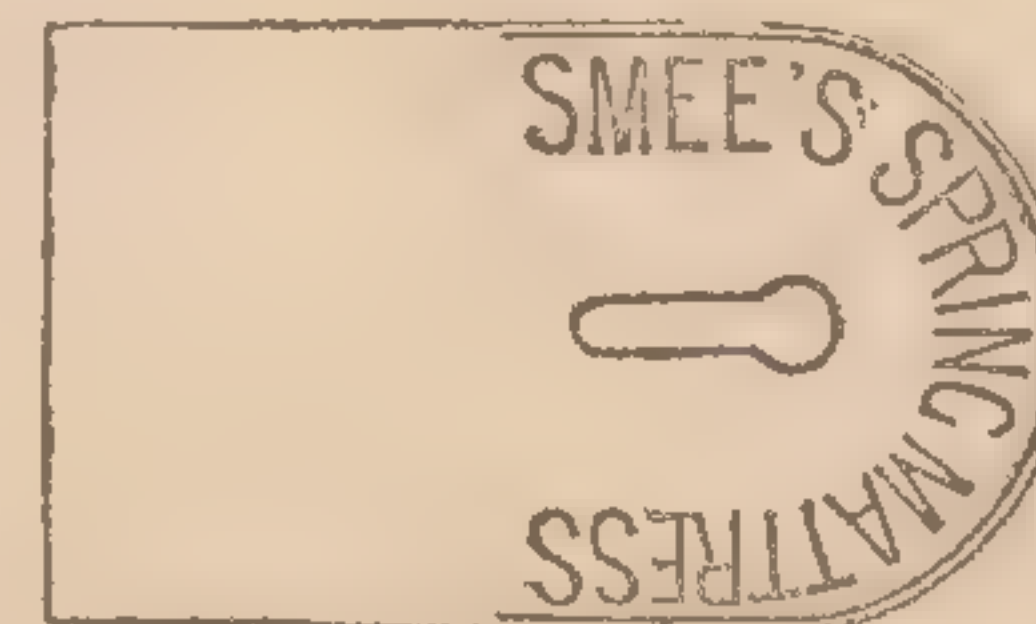

Purchasers are earnestly warned against INFRINGEMENTS and IMITATIONS in which somewhat of the general appearance of the SMEE'S SPRING MATTRESS is carefully preserved, but all its essential advantages are sacrificed. The genuine SMEE'S SPRING MATTRESS bears upon the side a Label, of which the following is a fac-simile, and

AS A FURTHER PRECAUTION, in addition to the Patent Label, which is affixed to each SMEE'S SPRING MATTRESS, the leather "Tags" at the end of the "Slats" are now stamped with the Trade Mark, of which an impression is subjoined.
